

Currently, we do not have payment by credit card - but when we do:

All online purchases with Audio 2 viZual (A2Z Technologies) will take place in a secure environment utilising the latest security technology.

Online orders will be processed using the secure Hosted Payment page solution from DPS. Your card is authorized and debited in real time, in an SSL secure environment.

DPS is committed to protecting the security of your data and uses a variety of security technologies and procedures to help protect your personal information from unauthorized access, use or disclosure. The personal information you provide is stored in computer servers with limited access that are located in controlled facilities secured by the latest in surveillance and security technology. When we transmit sensitive information (such as a credit card numbers) over the internet, we protect it through the use of encryption, such as the Secure Socket Layer (SSL) protocol. Credit card details stored on site are encrypted using 168bit 3DES encryption. DPS is also certified AIS compliant:

If you prefer to order by phone, please call us toll-free on (NZ) 0800 400 229
